

**SHOWPRO**

# E1 Profile RGBW

---

## LEDMOV420

LED Zoom Profile with RGBW colour mixing  
Proprietary independent framing shutter system  
Extremely even spot with flawless field consistency  
Motorized focus, iris and linear 4x (10°-40°) zoom  
Independent variable frost, prism, animation wheel  
Pan/tilt inverse, display inverse and auto-blackout  
Crisp bi-directional rotating gobos

Artnet and W-DMX onboard

# E1 Profile RGBW

## LEDMOV420

LED Moving Profile, featuring:

- Infinite RGBW colour mixing
- Advanced optical system projects saturated colours
- Pan/tilt inverse, display inverse and auto-blackout
- Extremely even spot with flawless field consistency
- Selectable dimming curves, white balance, fan speed
- Proprietary innovative 4x independent framing shutter system
- Ultra smooth dimming and perfectly consistent colour mixing
- White colour temp presets (2700K ~ 8000K)
- Flawless 16-bit 540°/270° motorized pan/tilt movement
- Motorized focus, iris and linear 4x (10°-40°) zoom
- Independent variable frost, prism, animation wheel
- Iris: 5% - 100%
- Frost: Independent, variable
- Rotating gobos: 7 (replaceable) + open
- Prism: 3-facet, bi-directional, variable-speed rotation
- Animation: Independent bi-directional variable-speed rotation
- Onboard menu: TFT display with 4-button navigation
- Cooling: Active (variable speed fan + thermal pipes)
- Dimming: 4 dimming curve modes
- Onboard colour presets and macros
- DMX, ArtNet and W-DMX control

### Specifications

|                   |                                 |
|-------------------|---------------------------------|
| Product           | E1 Profile RGBW                 |
| Code              | LEDMOV420                       |
| Lamp Source       | 400W RGBW                       |
| Power Supply      | 100-240V AC, 50/60 Hz           |
| Power Consumption | 476W                            |
| DMX Connection    | 3-pin XLR, ArtNet In/Out, W-DMX |

|              |                                |
|--------------|--------------------------------|
| DMX Channels | 36 / 38                        |
| Beam Angle   | 10° - 40°                      |
| Output       | 6179 lm                        |
| Dimensions   | 676 (L) x 408 (W) x 257 (H) mm |
| Weight       | 27kg                           |
