

LED ROXSTRIP

LEDSTP010

The LED Roxstrip is the latest addition to our long line of LED strips, featuring 72 x individual red, green, blue, white & amber LEDs. The five colours give you the ability to mix a stunning array of colours, satisfying the needs of the most discerning designer.

The unit comes in a sturdy 1m aluminium housing & features 30 degree optics, giving you a smooth even beam at even short throw distances and at only 6kg, the Roxstrip truly punches above its weight.
