ESUNSTRIP

LEDBAR010

Pixel mappable LED blinder that reproduces the look and feel of the classic halogen sunstrip effect, featuring:

- 10 x 10W 2800K White LEDs that deliver higher output than traditional halogen sunstrips
- Variety of dimming curves to accurately evoke the look and feel of this classic effect
- PowerCon In/Out for simplified cable management
- Easy-to-read OLED display with intuitive function menu
- DMX control
