The LED Star curtain Tricolour is perfect for backdrops and general theming applications. Using high quality, fire retardant materials this LED Star curtain will last for years in your production or hire department.

Coming complete in a neat roadcase this 6 x 4meter curtain has its own control which can be operated in auto, music or DMX modes. It is possible to control 8 separate sections in 32 channel mode and with 128 individual Tricolour LEDS this curtain will add a polished look to your next event.

Tough Velcro tabs allow for easy rigging and installation and complete in the case, with controller, the whole package only weighs in at 18kgs.
