

**FUSIONPAR** **HL** **VII**  
**LEDPAR076**

Outdoor-rated Hex-colour (6-in-one)  
RGBAW+UV LED washlight  
designed for professional  
touring and production

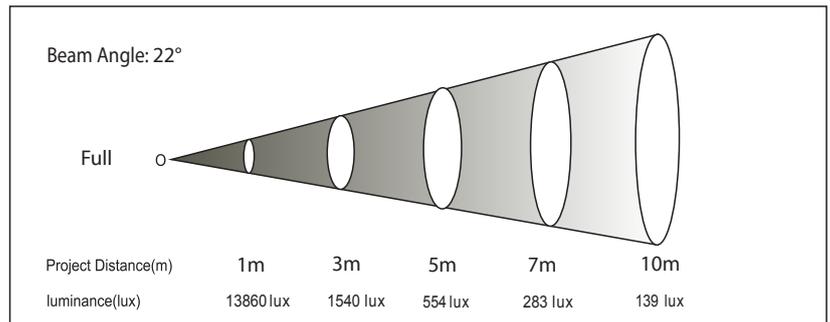

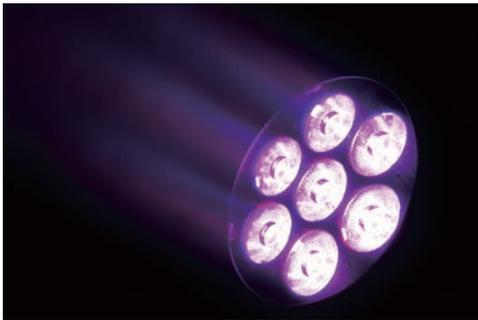

With W-DMX receiver onboard

## LEDPAR076

Rugged outdoor-rated LED washlight, featuring:

- 7 x 10W RGBAW+UV LEDs
- Perfect colour consistency in a compact package with extremely tight beam output
- Selectable PWM frequencies for flicker-free output and worry-free video
- Selectable white colour temps ranging from 3000K ~ 10000K
- Double mounting bracket allows fixture to be flown or floor-mounted
- Four selectable dimming curve modes (off, fast, medium, slow)
- Patented structural design delivers superior passive cooling
- Ultra-linear dimming technology for flawless colour mixing
- Advanced colour management with adjustable white balance
- Silent operation suitable for broadcast environments
- Indestructible diecast alloy body
- Onboard colour presets and macros
- High contrast OLED menu display
- Password protected menu lock
- IP65-rated for outdoor use
- DMX and W-DMX control
