

## LED PROFILE - VARIABLE WHITE

### LEDPRO132

The EPROFILE VW is the highest-output tunable white LED profile in its class. While output and performance are exceptional, its functionality and features are familiar, with a design that allows for compatibility with a wide range of industry-standard accessories. Built to withstand the rigors of serious professional use.

### FEATURES

- Innovative six-colour mixable LED light source with exquisite colour rendering (up to CRI 92)
- Variable white colour temp presets from 2800K ~ 8000K
- Adjustable +/- green hue fine tuning
- Independent control of discrete source colours (red, orange, green, royal blue, blue, lime)
- Flawless 16-bit dimming with selection of four dimming curves
- Flicker-free output with selectable PWM frequencies for worry-free video
- Crisp gobo image projection, even at close range
- Extremely flat field projection
- Quiet operation suitable for studio use (two selectable fan modes)
- Power linking (PowerCon In/Out)
- Rugged die-cast body and low-maintenance design
- Manual control via onboard menu
- DMX control
- Available fixed lens tubes: 14° - 19° - 26° - 36° - 50° (not included)
- Available zoom lens tubes: 15°-30° or 25°-50° (not included)

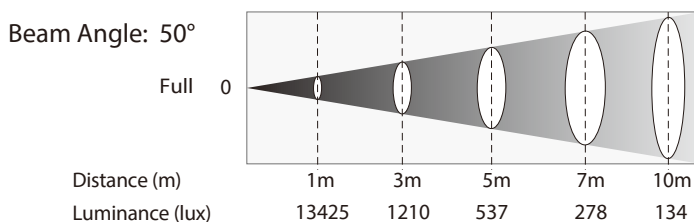

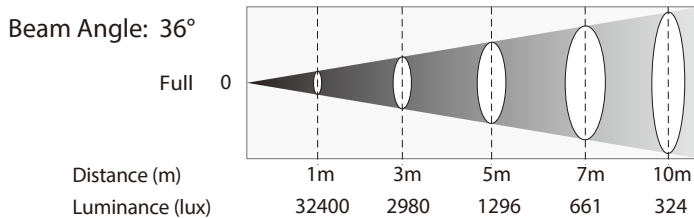

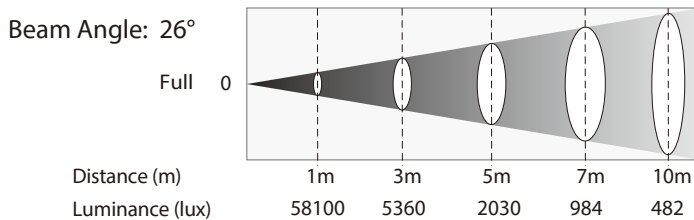

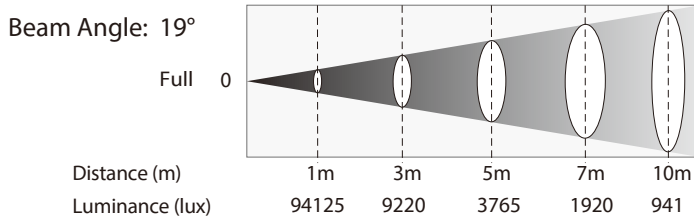

## LEDPRO132

### SPECIFICATIONS

Light Source: 91x3.5W COB 2800K ~ 8000K (up to CRI 92)  
 Output: 2030 LUX @ 5 meters @ 26°  
 Colour Temps: 2800K ~ 8000K  
 Beam Angle: 19° / 26° / 36° / 50° / Z15-30 / Z25-50  
 Native Colours: Red, Orange, Green, Royal Blue, Blue, Lime  
 Mains: 100V-240V, 50/60 Hz  
 Power connections: Neutrik PowerCon In/Out  
 Housing: Diecast aluminium  
 IP rating: IP20  
 Operating temperature: -20°C to 40°C  
 Dimensions: 596 x 287 x 551 mm

Control: DMX, RDM, Manual  
 Hue adjust: +/- 25 green  
 Dimming: 4 dimming curve modes  
 DMX Channels: 3 / 5 / 6 / 8 / 11 / 15 / 17  
 Display: OLED menu  
 Consumption: 252W  
 Data connections: 5-pin XLR In/Out for DMX  
 Finish: Matte black  
 Cooling: Variable speed fan  
 LED Frequency: 600Hz ~ 25KHz (selectable)  
 Weight: 7.8 KG
