

Exterior Wash 120

Exterior™ Wash 120 is a powerful, compact and energy-efficient LED lighting fixture designed to illuminate smaller structures, features of a building and landscaping. A discreet, optional snoot integrates seamlessly with the slick design of the fixtures. It has built-in display for ease-of-use, a wide selection of beam angles and is fully IP-rated for permanent outdoor use.

The Exterior Wash 120 is designed for variable color temperature (2700K-6500K) applications and is based on separate 2700K and 6500K LEDs
