

# ATOMIZER PRO HAZER

**SHOW**PRO

## PSHATM120

Get ready to take your event space to the next level with the ShowPRO Atomizer Pro Hazer! This haze machine uses high pressure atomization technology to create an even, thick haze that diffuses quickly and evenly!

With no need for a heating system, you can plug it in and get ready for the show in no time. It runs quietly and features an adjustable fan speed to control haze output. Built into its own case with integrated fans and a leak proof tank for easy transportation, the ShowPRO Atomizer Pro Hazer is built for the road.

## Specifications
